Rack customization system

- Fully customized -
- For the cabinet exterior color, you can choose from 8 exclusive blended paint colors, to create a unique image of the computer room.
- Exclusively designed pattern door panels, can be customized with unique opening shapes according to ventilation and heat dissipation requirements and visual aesthetics.

Removable panel

- Front door, back door, side panels, top panel, bottom panel easily removable modules.
 - Facilitates wiring and equipment maintenance, and improves heat dissipation efficiency.
-
- Front door: Aluminum alloy door frame + 2mm safety acrylic sheet.
 - Back door: Aluminum alloy door frame + 1.2mm steel custom designed door panel with push-type invisible door lock.

Optional Accessories

1U basic PDU / Silent airflow fan

SPME2008 / 8-port LED meter display power strip
NEMA 5-15R / 110V-250V AC
20A overload protection (resettable circuit breaker) / surge protection / 3mm non-detachable power cord / MADE IN TAIWAN

SPU-2012-08D / 8-port 20A power strip
NEMA 5-15R / 100V-240V AC $\pm 15\%$
20A overload protection (resettable circuit breaker) / surge protection / 3mm non-detachable power cord / MADE IN TAIWAN

GULF GA1123XSL
Sleeve Bearing-
High Speed Cooling Fan
120*120*38mm
AC110V/120V · 50-60Hz
0.14/0.12A · 18/19W
Speed : 2700/3000RPM
Airflow : 112/120CFM

Product Specifications

Unit : mm

Model number	SVR-20U	SVR-25U	SVR-30U	SVR-35U	SVR-42U
Appearance width × height (including wheels)	W600×H1027	W600×H1250	W600×H1473	W600×H1695	W600×H2006
Internal width × height	W522×H891	W522×H1114	W522×H1337	W522×H1559	W522×H1870
Full size depth	Appearance Depth : D900 / 1000 / 1100		Internal Depth : D812 / 912 / 1012		
Static load (horizontal pad)	1600 kg	1600kg	1600kg	1600kg	1600kg
Product weight	51.42 kg	57.20 kg	62.72 kg	79.14 kg	89.53 kg
Material	Main frame: Aluminum alloy (6063 T5) / High strength mounting rail support: Cold rolled steel (SPCC) / Movable wheels: Antistatic-Bakelite / Nylon				
Product content	Cabinet body (including top panel, bottom panel), detachable front and back door set (including push-type door lock and key), guide fan × 2 / fan cover × 2, movable wheel set (wheel weight resistance 150kg / single), level adjuster set SVR-20U / 25U / 30U: 2 removable single-piece side panels, SVR-35U / 42U: 2 removable upper and lower double-piece side panels				

SPCC

High-precision cold-rolled steel panels
With three-dimensional aluminum extrusion
Solid frame

High Strength Thin Edge Shaping

Streamlining the space of the computer room
Multi-section earthquake-resistant series structure

Quick Release Side Panels

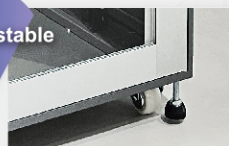

Tool-free snap-on tenons. Three-step quick release
Fast maintenance design

Steel U-shaped rails

Supports a variety of IT devices
High load capacity
Meet various configuration requirements

Double stable chassis

Configuration of mobile wheels and
Overload leveling pads
Static load capacity up to 1600 kg
